#### CARE & MAINTENANCE :

- \* To increase the item lifespan, avoid leaving the furniture in standing water or in direct contact with wet ground.
- \* Cover or move the furniture into covered storage during inclement weather and during winter months.
- \* Clean periodically with soft flannel cloth, slightly dampened with a mild soap solution and warm water. DO NOT use abrasive material, bleach or scouring products as this will affect the finish. Dry thoroughly with soft cloth.
- \* All items should be periodically inspected for signs of wear. Also, any accessible hardware should be periodically tightened.
